Merry and Bright in Chehalis School District

The days before Winter Break are so busy in the Chehalis School District, we needed two Friday Connect newsletters just to start telling you about all the wonderful things that made this year's holiday season so bright. In this week's newsletter, here's a look at what students and staff at Orin Smith Elementary and James Lintott Elementary were up to in December.

Students and staff had fun with art projects and dress up days
