* A special thanks to Shop 'N' Kart for their generous donation of sheet cakes and to Jeremy's Farm To Table for free brownie sundae coupons for our monthly Cougar Card and Character Awards! *

Dear OSE Families,

The first half of the school year has just wrapped up and our spring quarter has begun. We have navigated through the first half of the year and I'm proud of our students and staff, and grateful for the parents, PTA and all those who continue to support us along the way.

Spring is around the corner and we have many upcoming events in the months of February, March and April, including, but not limited to: Spring Conferences, Twosday (2/22/22), Future Chef event, many in-person and virtual field trips, including the Pacific Science Center and Pioneer Farms-thank you PTA, Spelling Bee, salmon project, in-person music concerts, a sprinkling of test preparation for state testing in May, and of course Spring Break!

After Spring Break we will begin thinking about next year's class placements. There are many factors that go into developing class lists:

- Specific academic needs of students
- Specific behavioral situations of individuals and groups of students
- Learning styles of students
- The balance of leaders in each class
- Equal balance of gender, race and ability in the classroom
- Information from a student's current teacher
- Information from the parents

Classroom assignments will be made by a team that includes classroom teachers, special education teachers, the principal, counselor and other staff as needed. The team will utilize all available information in order to carefully select the best placement of all students.

Thank you for the vital role you play in our school and your student's success.

~Mrs. Dorsey

PARENTS! School <u>begins</u> at 8:50 AM. It is important that your student is on-time every day! First bell rings at 8:40 AM - students should be on their way to class at that time.

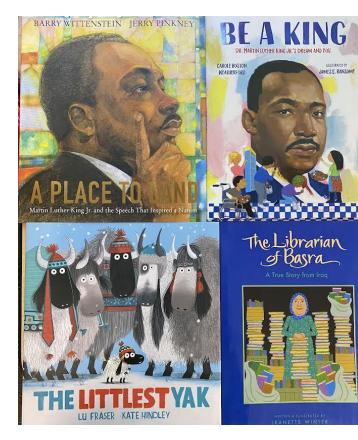

Student morning drop-off REMINDER:

Please remember that outdoor supervision is not available for your children before 8:15 AM each morning.

Students need to be accepted and attending the morning math program in order to be dropped off before 8:15 AM. If you are interested in this program, please contact our office at 360.807.7225 and you will be added to the waitlist.

Library Corner

January Library Reads:

Genre of the Month: Biography

A text written to inform the reader about a real person's life. We learned about nonfiction books being organized using the Dewey Decimal System. If you are looking for a biography, you would go to number 921!

Did you know that Martin Luther King Jr.'s famous words "I have a dream" were never written into his March on Washington speech on August 28, 1963? The true story behind MLK Jr.'s famous speech can be found in the book <u>A Place</u> to Land by Barry Wittenstein.

Read EVERY day!

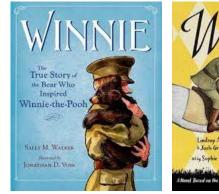

DONATED BOOKS!

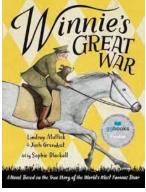

The library would like to give a big THANK YOU to Mike and Sue Austin, who donated new books to the library! Students who had been asking for specific new titles now have those books in their hands thanks to the generosity of Mr. and Mrs. Austin.

THANK YOU!

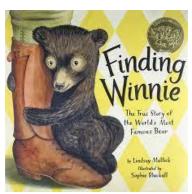

Happy Birthday AA Milne! January 18

You may not recognize the name AA Milne, but chances are you recognize his book Winnie-the-Pooh! Winnie the Pooh was named after AA's (Alan Alexander) son Christopher Robin's stuffed bear Winnie. That same stuffed bear was named after an actual black bear who was a WWI mascot, and lived in the London Zoo, where AA and Christopher would visit. If you're interested in learning more, check these out:

Information from our School Safety Officer:

NEWS from our counselor, Mrs. Beattie!

FAMILY CHALLENGE

Create a card or note about a favorite moment you shared with a neighbor or someone that lives nearby. Sign it as a family and deliver it to them.

If delivering it in person feels weird, send it in the mail or email. Want to take it to the next level? Offer a date and time to connect for a neighbor hangout for food or games!

To choose what is good, right, and kind even when it is hard or scary.

FEBRUARY'S CHARACTER TRAIT

Upcoming College Days:

- 03/09 San Diego State Univ.
- 03/16 Massachusetts Inst. of Tech. California Inst. of Tech.
- 03/23 University of Wyoming
- 03/30 Arizona State University
- 04/13 Brigham Young University
- 04/20 University of Florida
- 04/27 University of Nebraska
- 05/04 Gallaudet University
- 05/11 Swarthmore College
- Scarlet & Black Red, Gray & Light Gray Orange & White Brown & Gold Maroon & Gold Blue & White Orange & Blue Cream & Scarlet Buff & Blue Gray

Wear any college colors on WEDNESDAYS to show your school spirit!

Attendance: Make Every Day Count! On-Time, All Day, Every Day!

It matters. A single day missed can have a significant impact on student learning. Please make it a priority to come to school. However, sickness happens and safety is important. When a student has a clear symptom of illness, keep them home and call the office. We need a call each time in order to excuse absences. Our staff is also expert with the district COVID safety procedures and can help you navigate the next steps. The school telephone number is 360-807-7225.

Here are some of our Cougar Card winners enjoying delicious cake donated each month from Shop 'N' Kart. Keep up the good work, Cougars!

Classroom News...

Mrs. Gallagher and **Mrs. Enlow's** classes have been hard at work this winter! We have been focusing on our OSE character trait "Cooperation" during morning meetings. During math, we have been building fraction sense. During ELA, we have been learning about myths and legends, and practicing writing complete sentences using evidence from the text. Students have just finished their moon research projects in which they used their knowledge of the skill of connecting the main idea to details to create a google slide presentation. We are working towards getting ready for middle school by staying organized in our binders and backpacks, and treating ourselves and others with kindness and respect. We are working hard and having fun!

The Moon affects the ocean tides with its gravity.

ow do you know that the story of King Midas takes place in the past? Know this because NI says congroup go in acient Grandium. 2. Myths feature gods and goddesses. Genre of Colo

Above: Students are experimenting with scales to see if air weighs anything. -Mr. Rasmussen

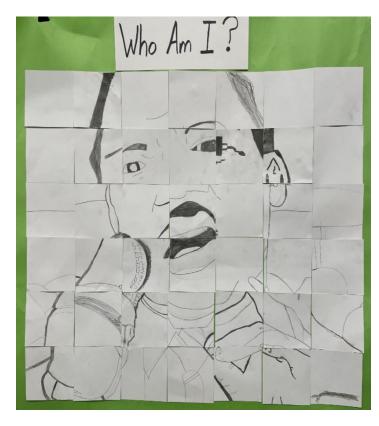

Mr. Rasmussen's class continues with more STEM projects:

Mrs. Rogerson's class has been busy debating and writing an opinion paper on whether our class should have a class pet....of a beetle!! Would you want that?

We've also been working hard in math on the topic of perimeter and area. We also learned how to take an image and enlarge it, but little did they know that they only had one piece of the image, and when we put them all together, they made a picture. Can you figure out who they made?

Classroom News Continued...

Exciting happenings in Mrs. Kendall's classroom!

This month we learned about color resist and creating texture while painting with our "Surprised by the Wind" snowmen.

For Social Studies this month we created Civil Rights leaders pocket books. We studied Martin Luther King, Jr., Susan B. Anthony, Cesar Chavez, Harriet Tubman, Rosa Parks and Gandhi... all of whom fought to improve the rights and freedoms of others.

Mrs. Blomdahl's 4th grade class wrote these great poems:

Chaos Windy, cold, wet Flooding, stinking, drowning Cars were sinking in the water River By: Korbin Davis Weather Cold rainy day Rising, driving, sinking Insane flooding, lots of water Flood By: Skylar Roose Flooding Crazy water Raining, draining, floating Windy weather, lots of water Chaos By: Gianni Occhino

Upcoming events and other fun things ...

Missing something?

Swing through to look at the lost & found during conference week! All leftover items will be donated on March 7th. **Room 404:** This is our collaborative art project celebrating Martin Luther King's birthday!

"Why We Sing?" Orin C. Smith Elementary School 3rd Grade Musical March 7-9, 2022 6:00-6:30 PM

MORE INFO COMING HOME SOON!

THANK YOU!!

OSE Food Drive collects 5189 food items. Big thank you to the OSE Student Council for their help organizing and counting the items collected and to the OSE families who do generously donated to the OSE Food Drive. Items were donated to the Greater Chehalis Food Bank.

BRING US YOUR RECEIPTS!

Box Tops earnings pay for books for our library. Our Box Tops Coordinator will scan your receipts for rewards! All you have to do is drop off your receipts in our vestibule at school. So reach out to your family members and start submitting your grocery receipts right away!

RECEIPTS MUST BE NO MORE THAN I WEEK OLD

Receipt suggestions: Costco, Walmart, Safeway, Target, Fred Meyer, Albertsons!

NOTICE OF NON-DISCRIMINATION

Chehalis School District does not discriminate in any programs or activities on the basis of sex, race, creed, religion, color, national origin, age, veteran or military status, sexual orientation, gender expression or identity, disability, or the use of a trained dog guide or service animal and provides equal access to the Boy Scouts and other designated youth groups.

Chehalis School District offers classes in many career and technical education (CTE) program areas, including Agriculture, Business and Marketing, Family and Consumer Sciences, Skilled and Technical Sciences, Health Sciences and STEM. Lack of English language proficiency will not be a barrier to admission and participation in career and technical education programs.

The following employees have been designated to handle questions and complaints of alleged discrimination-

El Distrito Escolar de Chehalis no discrimina en ningún programa o actividad por sexo, raza, credo, religión, color, origen nacional, edad, estado veterano o militar, orientación sexual, expresión o identidad de género, discapacidad o el uso de un Guía de perros entrenados o un animal de servicio y proporciona igual acceso a los Boy Scouts y otros grupos juveniles designados.

El Distrito Escolar de Chehalis ofrece clases en varias áreas con programas de educación vocacional y técnica (CTE), incluyendo Agricultura, Negocios y Mercadotecnia, Ciencias de la Familia y del Consumidor, Ciencias Técnicas y Calificadas, Ciencias de la Salud y STEM. La falta de dominio del idioma inglés no será una barrera para la admisión y participación en programas de educación profesional y técnica.

Los siguientes empleados han sido designados para manejar las preguntas y quejas de supuestas discriminaciones:

Title IX Coordinator Athletic Director Jeff Johnson 310 SW 16th Street Chehalis, WA 98532 360-807-7235 jjohnson2@chehalisschools.org Section 504/ADA Coordinator Director of Special Education Katie Howell 2025 SW Salsbury Ave Chehalis, WA 98532 (360) 807-7245 option 3 (360) 748-8767 Fax khowell@chehalisschools.org Civil Rights Compliance Coordinator Debby Gregory 310 SW 16th Street Chehalis, WA 98532 360-807-7200 dgregory@chehalisschools.org Career and Technical Education Coordinator Rick Goble 310 SW 16th Street Chehalis, WA 98532 360-807-7235 rgoble@chehalisschools.org <u>CONGRATULATIONS</u> to Brynn K. & Kara R. - drawing winners for completing the winter crossword puzzle! Complete the word search below and turn it into Mrs. Cole in the office for a chance to win!

Name: signs of spi ords are hidden in all directions in this puzzle. Search for them horizontally, vertically, diagonally, and backwards.
