

W.F. West Nook Contract

Your student has expressed a desire to check out one of our Nook readers from Barnes & Noble. Currently we have two Nooks loaded with 101 popular young adult eBooks. More eBooks will be purchased and added later.

In order to check out a Nook, your student will need to sign below along with you as a parent or guardian. You are accepting responsibility for the Nook in case of loss or damage. The cost of replacing the Nook and case is \$150.

Nooks are checked out for three weeks only - no renewal. Batteries will be charged before checking out. No cords will be checked out with the Nook. Nooks need to come back in their carrying cases and will be checked for damage when they are returned.

PLEASE be careful if you put the Nook in your backpack. Do not dump books on top of the Nooks or get them wet. Return the Nooks on time. Other people may be waiting for them. Do not slide the Nook into the drop box in the library. Give the Nook directly to the librarian.

Thank you,

Jan Stevens, Librarian: [jstevens@chehalisschools.org](mailto:jstevens@chehalisschools.org) 360-807-7235 ext.5455
