Students of the Month

Aiden Hobbs - Baby Bearcats

We are so excited to have Aiden in our program! He's a natural with the preschoolers and Mrs. Alexander and Mrs. Cummings think he'll make an amazing elementary school teacher. Since the field of education needs more men, especially for the younger grades, they plan on convincing him to pursue a career in education!! Way to go, Aiden!

Arlo Phillips - Photography

Arlo is an Advanced Photo student, and is DEFINITELY producing Advanced work! Over the summer Arlo worked hard on their photography skills, and it paid off! Their work is creative, thought provoking, and captivating. In the classroom Arlo is always willing to help anyone in the room, and is always willing to photograph anything we need done for the school, including the Graduation Walk last year. They are always kind, respectful and attentive. It's going to be very exciting to see where they take their photography in the next couple of years!

Kody Paterson & Violet Wesen - French

This month's exceptional French One students are Violet Wesen and Kody Paterson. Both students are consistently engaged with all activities in French class. Their enthusiasm and effort contribute to a positive and fun learning environment. Bravo, Violet et Kody. Bon travail!

Maddie Shields Baby Bearcats

Maddie has been a leader in the Family and Consumer Sciences Department for the last two years. She is a diligent student, a kind classmate, and a hard worker. Keep up the great work, Maddie!

Emily Leece Orchestra

Emily Leece is a senior orchestra member and principal cellist of the orchestra. She has spent the month of September organizing a large ensemble to take to our Regional Solo/Ensemble competition in February with the intent to win a third consecutive title!

Kody Paterson Choir

Kody is a strong leader and a great friend. He is always committed to excellence and sets the standard in the classroom. It is a pleasure to teach him.

CC Math 141 Students

Mr. Painter would like to recognize an entire class as his mathematics students of the month. This group of students has made the choice to challenge themselves with a very rigorous College-in-the-High-School mathematics course. This is likely their first experience taking a college-level STEM course. They will struggle, they will need to work harder, their GPAs may suffer, but they will learn more and more deeply than if they'd chosen an easier class. Mr. Painter would like to commend his CC MATH 141 students for their willingness to challenge themselves now in order to prepare themselves for their dream futures. **These students are outstanding models of "The Bearcat Way".**

FRESHMAN FOCUS

Hello Bearcat Freshmen Families!

This newsletter feature is just for FRESHMEN FAMILIES. Here you will find ideas to help you get the most out of your first year at W. F. West High School!

Here are our first 2 tips of the year!

Ask for HELP

No-one knows EVERYTHING about EVERYTHING. So let yourself be ok with asking questions. It is ok to ask questions. We are here to help you grow and learn. We want to help so PLEASE - ASK US.

If you are feeling sad or need to sort out your thoughts or feelings, please make an appointment with your counselors. Don't remember who your counselor is?

Here is the link to the counseling website
<https://chehalisschools.org/wfw/counseling-center/>.

Stay Organized

Use a **weekly** organizer. Review it on the weekend before the school week starts, so you know what you need to get turned in or study for.

Daily, go through your backpack. Sometimes you have papers that your guardians need to see and possibly sign for POINTS to help raise your grades. Also, you might just realize that you didn't turn in an assignment that you already completed. Looking through your backpack frequently will help jog your memory to get all the points that you deserve.

Bearcat Pride

Thank You Alderson's Awards West for supporting the Student Store!

A couple weeks before school started, a Bearcat teacher stopped by Alderson's Awards West to pick up a personal t-shirt order. She noticed that a counter was stacked with a variety of t-shirts, sweatshirts and socks, all new, but being phased out for new arrivals. She started to look through the stack and asked about the price - \$3.00 for any kind, she wondered? From behind the counter, Tom Alderson, owner, told his assistant, Kim Schraeder, what to do. What they did was get a box and put everything on the shelf into it and donated it all to the W. F. West Student Store. If you are not familiar with West's student store, it is stocked with new and gently used clothing for students in need. There is no money involved, and students just need to ask a teacher or counselor, and they will be directed to the room to choose what he/she needs. In addition to clothes of all sizes and styles, the store has school supplies, backpacks, hygiene products, even food. The room is organized by size and type of articles, jackets, shoes and so forth.

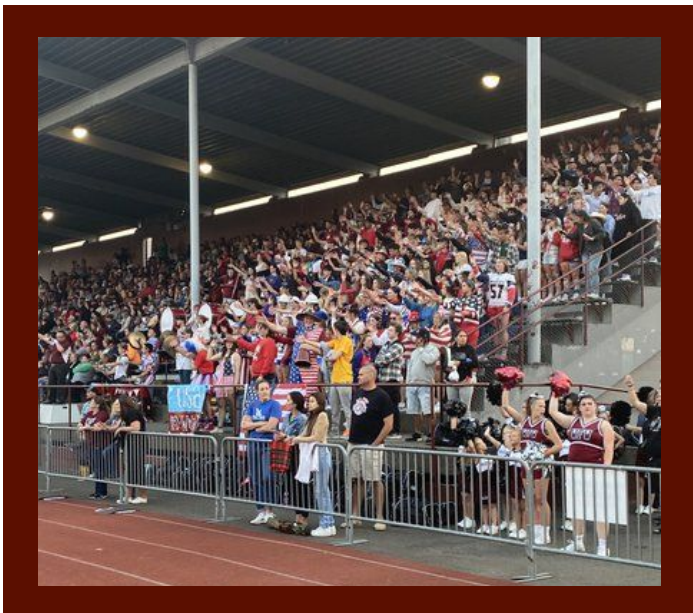

The store was started through the efforts of several teachers and counselors and is used by many students. Bearcat Pride means taking care of the students for all of their needs. If you are interested in helping, call the W. F. West Counseling Center and ask what their needs are because the needs do vary from year to year and throughout the year.

Thank you to Alderson's for their generosity to help many W. F. West students have a good start to their new year.

The 2022-2023 school year is underway and our students have already been putting their skills to work! WFW Senior and advanced sign maker, **Brian Anouma**, helps create a banner for the Bearcat Booster Club.

Fall Conferences

NOVEMBER 1ST & 2ND 1:30-6:30 PM

We have scheduled two teacher conference days to give you the time to meet each teacher, discuss with each teacher your student's progress, and give you the information necessary to give support and encouragement at home. We truly believe that if teachers, parents and administrators work together, our students can achieve their maximum growth.

Conferences for all teachers will be held in the high school Commons. Parents will have a very short distance to walk to meet with all teachers. This should help shorten the total amount of time needed to meet with all teachers.

Entry to parent/teacher conferences is at the Commons doors. Parents will register there, pick up their student's schedule and a map of department locations. Parents are urged to confer with all teachers to discuss individual progress and mutual concerns. All teachers are isolated in an open-arena type setting and are available to meet with parents on a first-come basis. No prior appointments are necessary. We will have refreshments available.

Be sure to go over the the "Question and Answer" section on this page to assist you with specific concerns. Also, please note the list of teachers that will be unavailable each day.

If you have any additional unanswered questions, please call Bob Walters, Christine Voelker or Tom Elder at 807-7235.

Due to other educational or school-related commitments, a few teachers may not be available during some of the conference times. These teachers will send an email to students and their families with their available conference times.

Conference Q&A

Q: If I want to attend conferences should I call and make an appointment?

A: No. With arena-style conferences, you come when it is convenient for you to attend. Conferences occur on a first-come, first-served basis. If one teacher has parents already waiting, simply locate another teacher who is free.

Q: I want to attend a conference with one teacher. Do I have to go through a "big process" to accomplish that?

A: If you want to spend the minimum amount of time conferencing, we suggest that you come at the very beginning or end of the conference session.

Q: I don't want to attend any conferences, but I do want to receive a progress report for my student.

A: Call the Counseling Center at 807-7235, Ext. 5514. The staff can help you with your request.

Q: I will probably need to talk with one teacher for more than 10 minutes. Does the 10 minute limit mean that I can't talk longer than that?

A: We make a real effort to limit conferences to no longer than 10 minutes so other parents don't have long waits, but you may schedule a longer conference by emailing the teacher or contacting the school to schedule a time.

Q: I have a very short amount of time available. Will I have to stand in long lines?

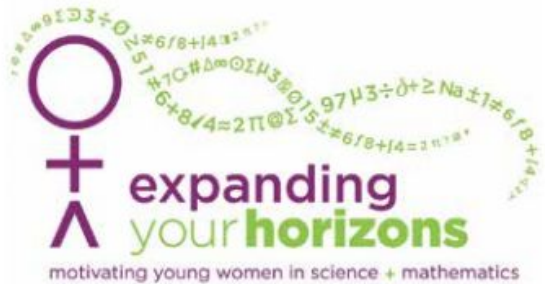

A: We have centralized the location for all conferences in the Commons area. Because of the close proximity of this location, you can move easily between teacher conference areas. Our best estimate is that your total conference time should not exceed one and a half hours.

Q: How are arena-style conferences different from parent conferences in other schools?

A: We have no prior appointments and all teachers are located in one central area. Therefore, you can move freely between teachers. If one teacher has a longer waiting line, simply select another teacher whom you wish to talk with.

Q: I would like my student to attend parent/teacher conferences, but I would like to contact my student's teachers at some other time. What should I do?

A: Email the teacher or contact the school to set up an appointment.
