THE CRIMSON & GRAY

Coffee Shop

Business & Marketing students will get hands-on training and skills through Crimson & Gray Coffee Shop opening in February

This February brings the opening of the much anticipated Crimson & Gray Coffee Shop powered by Lewis County Coffee. Students in Kristin Ciolli's Business and Marketing class have been working hard on recipes and researching which ingredients are USDA approved to be served in schools. The coffee shop will provide hands-on training and skills that students can take with them long after high school. Instructional areas include financial analysis, operations, marketing information management, pricing, distribution/channel management, promotion, selling and human resources management.

The Business and Marketing and Business Communications classes were added this year after a student interest survey and input from the CTE General Advisory Council was used to identify areas of need. The top results were Business and Marketing, Construction Trades and Health Sciences. W.F. West then posted teaching positions for all of these areas with the main goal being to hire the best teacher among all the applicants. Through this process Kristin Ciolli joined the Bearcat family and many students were eager to enroll in her classes. There is a large labor market need in the Southwest Washington area for people with business and marketing experience, so offering these classes matches up with the CTE program's goal to provide students with practical skills they can use in industries with high local demand.

W.F. West is partnering with Lewis County Coffee to make sure our students are trained to the highest level, just as if they were hired by LCC. Mrs. Ciolli says, "we are fortunate to have such an amazing community to support our students and grow their skills in another way through a School Based Enterprise program".

When the store opens, traditional coffee drinks and Lotus beverages that are specific to Chehalis School District will be sold. The number of days the store will be open each week is still being determined, but store hours will be before school and during both lunches.

DECA Club participates in first ever area competition

Congratulations to our W. F. West High School DECA students for participating in their first ever area competition! DECA is a student led organization which prepares and develops our emerging leaders and entrepreneurs to join the next gen workforce! Interested in learning more? Talk with Mrs. Ciolli in Business and Marketing.

FRESHMAN FOCUS

Hello Bearcat Freshmen Families!

This space in the newsletter is created just for FRESHMEN FAMILIES. Here you will find ideas to help you get the most out of your first year at W. F. West High School!

HAPPY NEW SEMESTER

Nelson Mandela said “Education is the most powerful weapon which you can use to change the world.”

My hope is that each and every one of you would see how important your life is and how your education can help you change the world to be the place you want it to be.

This month is the time to reflect on your past semester and see what your future semester can offer. If you do not like the grades you received, what can you do about it?

One thing you can do this semester is stay on top of your work. Everyday review what you learned at school by reading over your notes. If you don't know what your notes say, call a friend or talk with your teacher the next day to get clarification on what you learned, so you can have a better understanding of your classes.

Another idea: Turn in your work, on time. After you review your notes, then you can review your homework and finish it, so you can turn it in on time. Procrastination catches up with people. Don't let that Procrastination BUG Get you DOWN!

IF you want to talk with your Counselor to make a plan that will work for you, use this link to make an appointment: [Counseling Appointment Form](#)

or visit chehalisschools.org/wfw/ > Academics > Counseling Services

Let this New SEMESTER bring you amazing grades and amazing joy!

W.F. West offers Washington State Seal of Biliteracy

In December, W.F. West offered the Seal of Biliteracy Test to all interested students for the first time. The Washington State Seal of Biliteracy was established to recognize public high school graduates who have attained a high level of proficiency in speaking, reading, listening and writing in one or more world languages in addition to English. Graduating high school students who meet the criteria will be awarded the seal on their diploma and transcript. Students are also able to earn high school foreign language credit based on their scores.

*Out of 71 W.F. West students who signed up to test in December, **58 students earned at least 2 years of foreign language credit, and at least 17 students will be eligible to earn the Seal of Biliteracy after completing all other English Language graduation requirements.***

After receiving their test results, each student will meet with their counselor individually to go over how their scores may affect their transcript, graduation requirements, and future schedule. We are excited about the opportunity this is providing our kids, and the recognition they are getting for their language skills.

Students of the Month

Avery Brundage & Jacobsen Bunker - French I

The World Language Department is pleased to recognize two French One students this month.

Mademoiselle Avery Brundage and Monsieur Jacobsen Bunker consistently participate in all class activities in a positive manner. Both Avery and Jacobsen willingly help and lead their group, creating a comfortable and inclusive classroom environment. Félicitations to Avery and Jacobsen for your work and dedication to learning French!

Title I Notification

Parents can request the following information regarding instructional staff who work with their children:

- Whether or not the child's teacher has met state certification for the grades and subjects she/he is teaching.
- Whether or not the teacher is working with an emergency or conditional certificate where state certification criteria has been waived.
- The baccalaureate degree major of the teacher and any other graduate certification or degree held, including field of discipline of the certificate or degree.
- If the child receives instructional services from a paraeducator, the paraeducator's qualifications.

Chehalis School District Annual School's Report

Chehalis School District and the State of Washington believe that important information about local public schools should be provided to educators, parents, community members and the general public. The combined support of these various stakeholders ensures the success of all students. Information regarding current and past test scores, demographics, teacher qualifications, graduation and dropout rates for secondary students, and the status of school improvement can be obtained from the following website: <http://reportcards.ospi.k12.wa.us/>. Search for Chehalis School District and click on the school of choice.

Printed copies of the annual school's report or newsletter may be obtained from the Chehalis School District Office at 310 SW 16th Street, Chehalis, WA 98532 (360) 807-7200. You may also log on to the district website at <http://www.chehalisschools.org> and click on the appropriate link to view each document.

Career & College Readiness

- **TRADE School Tour / Feb. 7** - We will be doing a college tour to Clover Park Technical College for 10th-12th grade students. This college has over 50 different programs including automotive, aviation maintenance, cosmetology, culinary arts, HVAC, web development, graphic arts, forklift certification, private pilot, dental assisting, nursing, surgical tech, early childhood education, construction technology, and many more. We really hope that students interested in trades or vocational pathways will take advantage of this trip. Permission slips are available with Mrs. Chaput and in the Counseling Center.
- **Apprenticeship Panel / Feb. 22** - We will be hosting our annual **Apprenticeship Panel** event. We have representatives from a number of different unions and trades coming. Students will be able to learn more about the variety of opportunities available to them. All students are welcome and can sign up with Mrs. Chaput.
- **College in the High School:** For students taking CiHS classes during spring semester, the cost is \$325 per class, and scholarships are available. Scholarship applications will be emailed to each student and available from Mrs. Chaput. **The deadline to submit an application is Feb. 10th.**

Financial Aid Money

SENIORS! If you haven't already done so, please complete your FAFSA or WASFA as soon as possible. It is an online application at www.fafsa.gov. This year, with the increased income cut-off for the Washington College Grant, more families can now get assistance for post-secondary education. However, to be eligible for this grant and others, you must complete the FAFSA / WASFA.

If you or your families need any help in completing this form, please contact Mrs. Chaput. The FAFSA form is also required for a number of scholarships and due dates are approaching, so please do not miss this important step.

2nd Semester began January 30th!

- Students can request changes to their electives or to be moved into a course that will meet their graduation requirements and/or post secondary plans. Parents can expect to be contacted if a change affects a student's career pathway, graduation requirements, or if a student is requesting to be moved out of an advanced class.
- The last day a schedule change can be requested is one week into second semester (Friday, February 3rd).
- After that, classes may only be changed with teacher and administrator approval.
- If you have questions about why your student's schedule changed, please contact their counselor:
- A-G, AVID Mrs Rakevich lrakevich@chehalisschools.org
- H-N Mrs Goble sgoble@chehalisschools.org
- O-Z Mrs Boeck jboeck@chehalisschools.org

More than **3 million**
middle and high school students currently used any tobacco product

16.5% | **4.5%**

of high school students | of middle school students
currently used any tobacco product

We have made great progress in reducing the number of youth who use combustible cigarettes.

However, youth e-cigarette use remains a serious public health concern. E-cigarettes have been the most commonly used tobacco product among youth since 2014.

More than **2.5 million** students currently used e-cigarettes

Among current youth e-cigarette users:

More than **1 in 4**

used e-cigarettes daily

The most commonly used device type was

disposables

Approximately **85%**

used flavored e-cigarettes

Findings suggest ongoing disparities in tobacco product use across different population groups.

Current tobacco product use was higher among:

- **Non-Hispanic American Indian or Alaska Native (AI/AN)** students
- Those identifying as **lesbian, gay or bisexual**
- Those identifying as **transgender**
- Those reporting **severe symptoms of psychological distress**
- Those with **low family affluence**
- Those with **low academic achievement**

About **1 million youth** used any combustible tobacco product. **Non-Hispanic black students** reported the highest percentage of **combustible tobacco product use, including cigar product use.**

FDA remains steadfast in its commitment to using the full range of our authorities to address youth tobacco use and to keep tobacco products out of the hands of America's youth.
