

INSTRUCTIONAL STRATEGY GOALS

GOAL

01

»» IMPROVE

Improve student achievement by increasing the quality of instructional practice, classroom organization, professional development and teaching efficacy.

GOAL

02

»» MODERNIZE

Modernize instructional practice, improve modeling for students of the power and leverage of technology, improve internal and external communications, and enhance overall district efficiency through the use of technology in everyday teaching and learning activities.

GOAL

03

»» PREPARE

Students exit the Chehalis School District genuinely prepared to succeed in college or a meaningful career by earning a diploma acknowledging this preparedness.
