APPLICATION FOR USER NAME AND PASSWORD FOR FAMILY ACCESS WEBSITE

The administration and staff at Chehalis School District recognize that parents would like to play a greater role in their child's education. To make it easier for you to get involved, we are providing you with the ability to access student information anytime, day or night. We are excited to offer this opportunity to parents and hope this access will be of benefit to you.

The software that makes this possible is our student information system known as Skyward Family Access.

Family Access is available at <http://family.chehalis.wa-k12.net>. To use this software you need to have access to the Internet and you will need a user name and password.

If you would like to utilize this tool to monitor your child's education and progress, please fill out the form below and return it to your child's school or the Chehalis School District Office.
