# TECHNOLOGY ACCESS RELEASE STUDENT

The Chehalis School District technology network (district network) includes services to and on the local area network. These services include, but are not limited to, printing, storing documents and file sharing. The district network also includes services provided through the K20 network, such as access to public networks, including the Internet. I understand, and agree with, this document as a condition of my right to use the district network services.

1. I will abide by the district network Acceptable Use Agreement.
2. Network administrators have the right to view any material stored on any district network device. Network administrators have the right to edit or remove any material they, or their superiors (in their sole discretion), believe may be unlawful, obscene, abusive, or otherwise objectionable. I hereby waive any right of privacy, which I may otherwise have, to such material.
3. Chehalis School District, nor any of its providers, will be liable for any direct or indirect, incidental or consequential damages due to information gained and/or obtained via use of the district network, including access to public networks, without limitation.
4. The Chehalis School District, nor its providers, warrants that the function of district network, nor any networks accessible through district network, will meet any specific requirements, or that access will be error free and uninterrupted.
5. The Chehalis School District, nor its providers, shall be held liable for damages, direct or indirect, incidental or consequential damages while using the district network. This includes, but is not limited to, data or information loss.
6. Use of the district network is a privilege, not a right, and can therefore be revoked by network administrators at anytime for violation of this, or the Acceptable Use Agreement. Network administrators may consult with District Office and/or Building Administrators to determine what constitutes a violation.
7. The Chehalis School District reserves the right to revise, modify and update the Technology Access Release and/or the Acceptable Use Agreement.
8. I hereby release the Chehalis School District, network administrators, operators and any institution, which they may represent, from any and all damages, or claims, that may arise from my use, or inability to use, the district network. I understand that by signing this agreement, I will be granted the privilege of using the Chehalis School District network, as well as access to public networks.
