

## Yearly Renewal of Student Information

Sign into your [Family Skyward](#) account to complete the information. *This can not be done from the Mobile App, only through the Web Browser.*

Example:

The screenshot shows the 'Family Access' page of the Skyward portal. The top left features the Skyward logo and the text 'Family Access'. A navigation menu on the left includes 'Home', 'New Student Online Enrollment', '24-25 Yearly Renewal of Student Information', and 'Ethnicity/Race'. The main content area displays a red notification box stating 'Attention: W F WEST HIGH SCHOOL' and 'This area is currently closed.' Below this is a green notification box with a red exclamation mark icon, stating '24-25 Yearly Renewal of Student Information is now open until 06/12/2025' and '24-25 Yearly Renewal of Student Information at W F WEST HIGH SCHOOL for the 2024-2025 school year is now open, yet has not been completed for [redacted]'. A link is provided: 'Go to 24-25 Yearly Renewal of Student Information for [redacted]'.

This is a great opportunity to view your Student/Family information and make any necessary changes. Also, student schedules will not be viewable in Skyward until this has been completed.

If you do not know your Skyward login information, you can click “**Forgot your Login/Password?**”. There is a link through the CSD website/Digital Access page. Make sure the Login Area is set to “Family/Student Access”.

The screenshot shows the login page for the Skyward portal. At the top is the Skyward logo and 'CHEHALIS SCHOOL DISTRICT'. Below this are two input fields: 'Login ID:' and 'Password:'. A 'Sign In' button is positioned below the password field. A link for 'Forgot your Login/Password?' is located below the 'Sign In' button. The version number '05.24.06.00.05' is displayed in the bottom right corner. At the bottom of the page, there is a 'Login Area:' dropdown menu currently set to 'Family/Student Access'.

If you do not receive a reset link (it can take a few minutes, make sure to check your spam and trash folders), please reach out to me for assistance.
